

COMPLEX REQUIREMENTS? WE EXCEL AT THEM.

Our engineering-driven approach allows us to handle intricate geometries, tight tolerances, and mission critical applications with consistent, repeatable accuracy, allowing us to drill semi-finished and finished parts.

CERTIFIED QUALITY YOU CAN TRUST

We are proudly ISO 9001 and AS9100 certified, ensuring world-class process control and uncompromising quality throughout every part we deliver.

PRECISION IS OUR PROMISE. PERFORMANCE IS OUR LEGACY.

Partner with a team that combines cutting-edge equipment, decades of experience, and the highest certification standards in the industry.

ADVANCED GUNDRILLING SOLUTIONS

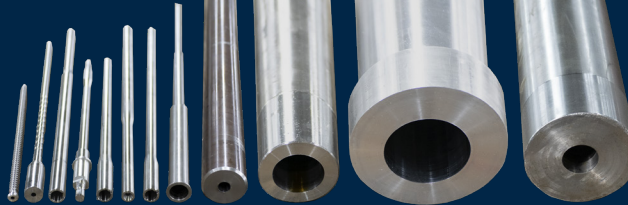

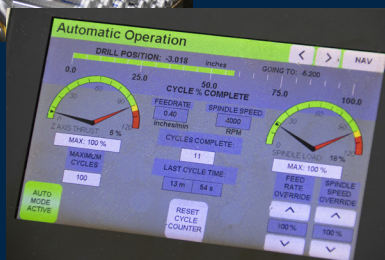

SERVING THE MOST DEMANDING INDUSTRIES

- Medical
- Automotive
- Aerospace
- Firearms
- Defense
- Custom Industrial Manufacturing
- ...and many more

Where precision matters, we deliver.

WIDE HOLE SIZE CAPABILITY

We expertly drill diameters from:
0.039" - 2.00" and above

EXCEPTIONAL LENGTH RANGE

Precision drilling from:
1.00 inch - 60.00 inches

INDUSTRY-LEADING PRECISION.

UNMATCHED EXPERTISE.

30+ YEARS STRONG.

For over three decades, Drilling Dynamics has been a trusted leader in innovative, complex gundrilling services.

Our state-of-the-art technology and deep industry experience make us the preferred partner for demanding applications across multiple sectors.

*Why
Drilling Dynamics
Outperforms the Competition...*

ADVANCED COUNTER-ROTATION GUNDRILLING MACHINES

Our cutting-edge counter-rotation technology produces unparalleled concentricity, reduced run-out, and superior hole quality...

...far exceeding traditional gundrilling systems.
